

## DEBRIS MANAGEMENT INFORMATION

### I. Storm Debris Quantity Estimates

#### A. Debris processed and remaining

- Debris Estimates
  - 22 million tons (**55 million cy**) - Katrina
  - 2.4 million tons (**6 million cy**) - Rita
  - 24.4 million tons (**61 million cy**) - Total
- Debris Processed and Remaining
  - 18.4 million tons (**46 million cy**) – Processed
  - 6 million tons (**15 million cy**) – Remaining

#### B. Debris Removal Status

- Debris Removal Complete in 26 parishes
- Debris Removal Continues in 10 parishes (7 Katrina Parishes & 3 Rita Parishes)

### II. Debris Management Sites

- 402 approved sites in the state
- 216 for Katrina debris
- 186 for Rita debris
- Site Closeouts performed at approximately 200 sites

### III. Recycling and Recovery of Debris

- A. Electronic Goods (e-Goods) - Approximately 602,711 collected
- B. White Goods – 955,418 Processed
- C. 324,595 units or more than 50,000 pounds of Freon extracted
- D. Orphan Containers - 3.7 million recovered
- E. Household Hazardous Waste - Over 16 million pounds collected

### IV. Recycling and Reuse Contributions to Reduction of Debris Disposed in C&D Landfills

- A. 30% of debris processed from Katrina was not disposed in a C&D landfill, but was recycled or reused (i.e., soil amendment, interim cover, erosion control or fuel, etc.)
- B. Approximately 90% of vegetative debris in Washington Parish was used as fuel thus preserving landfill capacity.
- C. Grinding operation at Empire achieved 65% reduction in volume thus preserving landfill capacity.
- D. 64% of debris processed from Rita was not disposed in a C&D landfill, but was recycled or reused (i.e., soil amendment, interim cover, erosion control or fuel, etc.)

### V. Demolition Mission

- A. 3,370 of 16,797 structures demolished –Katrina Corps Managed Operations
- B. 1,002 of 1,002 structures demolished-Rita Corps Managed Operations
- C. 4,379 of 17,799 structures demolished –Katrina and Rita Applicant Managed Operations
- D. St. Bernard: 2,733 of 15,650 structures demolished
- E. Orleans: 1,790 of 15,000 structures demolished

### VI. Progression of Debris Removal and Demolition-Orleans

- A. 11.3 million cy of debris hauled
- B. 1,790 of 15,000 structures demolished

**VII. Progression of Debris Removal and Demolition-St. Bernard**

- A. 3.6 million cy of debris hauled
- B. 2,733 of 15,650 structures demolished
